

## **Introduction to Raising Goats**

### **Resources - Lesson 5**

1. This is an excellent, comprehensive, and free guide to raising goats. It has great information in chapters 5 and 6 on reproduction and kidding.

<https://meatgoats.ces.ncsu.edu/wp-content/uploads/2015/08/Rosalee-Sinn.pdf?pwd=no>

2. Read this post to learn about goat pregnancy testing.

<https://waddl.vetmed.wsu.edu/animal-disease-faq/pregnancy-testing-in-ruminants>

3. Here's a useful article on goat pregnancy to help you get your head around the whole heat/pregnancy cycle.

<https://www.uaex.edu/publications/PDF/FSA-9607.pdf>

4. Learn about the importance of colostrum here from me.
