

Cultivating Cannabis

Making Products With Your Harvest Lesson Homework

- Find a good source for organic oil in bulk.
- Order oil online if necessary. (see resources document for links)
- Buy a dedicated crock pot for oil infusions.
- Make sure you have lots of mason jars!
- Check out your local liquor stores to check their stock for organic high proof alcohol, if you are thinking of making tinctures.
- Find a source of beeswax or buy some online.
